Hi Paul,

Thanks for the update.

Could you please send me a formal email confirmation or receipt detailing the payment amount ($499.00), payment date (09/14/2026), and my full name (Venkata Keshavnath Chilumuru)?

My finance team requires an official email from O'Reilly containing these subscription details and full name to process my reimbursement.

Thanks,
venkata keshavnath chilumuru

Hi Venkata,

Thanks for the follow-up. You should have been sent an invoice, which has all the details you requested. Please find it attached. You can also access it by going to Plans and Payments, and then selecting See Billing History. Please let me know if you need anything else.

Hi Venkata,

As you paid with PayPal, a receipt isn't generated, but I have edited the invoice to say receipt. I'm hoping this works for you.
